Northern Service Center
Bid Package Available

REQUEST FOR PROPOSALS
FOR
Feasibility Study Analysis for the Site Selection
and
Financial Analysis to Fund, Construct and Operate a
New California Indian Cultural Center and Museum
(California Indian Heritage Center)

Due Date: 5:00pm, Wednesday, November 26, 2003

The Northern Service Center has this bid package available for viewing and downloading off of the internet. We do not provide bid packages in hard copy, this includes by E-mail or fax transmission. The following are steps to help you view our bidding projects:

Go to the State Parks website at: <http://www.parks.ca.gov>.
On the right side of the page, under "Quick Hits" select **Contract Opportunities**.

This puts you in the California State Contracts Register website.
Select **Agency, Department of Parks & Recreation**, then click 'Submit'.
Under Contracts, our projects at the Northern Service Center are listed by the park name. Click on the name of the project which interests you.

At the bottom of the advertisement page, select **Bid Package Attached** to download the project. If you have not downloaded bid packages from the California Contracts Register before, you must register before you can download the bid package. The more information you include with your registration, the better.

If you are having difficulties downloading bid packages you may call Mark Anderson at 916-375-4585 or Carol Loscutoff at 916-375-4583 with technical questions regarding downloading only. Please note bid packages are also available to view in hard copy in the local plan rooms. We also suggest going to a local print shop where they may be able to download and print the bid package for you.

Technical questions regarding bidding projects will be accepted only in writing (faxed to 916/445-9027) 24 hours prior to the project's bid opening. Submit those questions (and requests for plan holder lists, bid results) by fax.
